

LUXURY — RESTROOMS

Our attention to detail includes Luxury Restrooms... so impressive, they're often a talking point with guests!

As with everything with a Peter May function, we add extra little touches which make all the difference – including unobtrusive music and quality hand sanitiser.

TESTIMONIAL:

“Fantastic in both outside appearance and inside – completely self contained!

Tasteful, elegant, nothing at all for us to do during the pre-wedding, wedding and post wedding celebrations! Something we didn't have to worry about! Music was a Wonderful surprise to ourselves and all of our guests with most of them commenting”

Guests: Next day text:
“toilets were great”! “Top wedding”, “Top people, “Top toilets” “Outstanding toilets” “Fantastic toilets” & “Cleanest I have ever seen” “A great surprise to have such first class facilities”

Thank you so very much Toni and Peter!
